#### **ATTENDANCE**

Students attend 180 days of school each school year, with approximately 45 days in each 9-week period. For all grades, the school day runs 8:30 a.m. until 3:00 p.m. Wednesdays are "early release" days and school will be dismissed one hour earlier (2:00 p.m.). Montessori and elementary students who are late should be signed in at the office by a parent and then report to their class. Middle and upper school students should sign in at the school office and receive a tardy slip to be admitted to class. If you know your child will be tardy or absent, please contact the school office.

It is very important for the safety of all children that they sign in through the office when arriving at school after 8:30 a.m. This allows us to have an accurate roster of all students in the event of an emergency.

Students should not miss school except when absolutely necessary; however, students should not be sent to school if there are any signs of fever, rash, sore throat, head lice, pink-eye, etc. Please notify the school if your child is absent due to a contagious illness.

If a student needs to leave prior to dismissal, he/she may do so only with parental permission. Non-driving students must be signed out in the office by a parent or by someone specified in writing by the parent or guardian of the student. Students who drive themselves must have written permission from a parent or guardian and must check out in the office before leaving campus. Office personnel will verify this written permission before a student is allowed to leave campus.

### **Before and After School Program**

Central Florida Preparatory School provides an extended day program for the convenience of those parents who need to drop off their children early or pick up their children late. This program is offered at an additional fee of \$2.50 per hour, based on full-hour increments. Before school, students may be dropped off at any time between 7:15 a.m. and 8:15 a.m. This class will be held in Bldg 300 – Rm #314. After school, students may be picked up as late as 6:00 p.m. Any time after 6:00 p.m. will be charged at an additional fee of \$2.00 for the first five minutes and \$1.00 per minute thereafter. Parents are billed on a monthly basis for these services.

Please do not bring your child to his or her classroom before 8:15 a.m. Instead, take your child to before care.

It is the school policy that teachers will wait with their students in the classrooms until 15 minutes after the end of school (2:15 on Wednesdays and 3:15 on all other days). At that time, the teacher automatically escorts all remaining students to the after-care location (playground in nice weather; Building 300 - Rm #314 in inclement weather).

### **Lower School – Absences**

Each classroom teacher is responsible for recording daily attendance for his or her class. A student in 1st-5th grade is considered absent if he/she leaves before 11:30 a.m. and is gone for the remainder of the day. If a student needs to leave during the day, the parent should send a note informing the teacher and sign out the student in the school office. Students who are absent may not participate in a school function after school hours such as special events, field trips and athletic events.

### **Lower School – Tardies**

It is very important to the teacher and staff that students arrive at school and put their belongings away in time to start class at 8:30 a.m. A student is considered tardy if he/she arrives after 8:30 a.m. The classroom teacher will handle tardies. If a student has 5 or more tardies in a 9-week period, the principal will request a conference with the parent/guardian.

## **Upper School – Absences**

Each first period teacher will take roll and report first-period absences to the office each morning. In addition, each teacher will take roll at the beginning of each class period; this report is turned into the office at the end of each week. Absences for students in 6th-12th grades will be counted per each class period.

**The eleventh (11th) unexcused absence in a semester will result in a 9th-12th grade student not passing a course for that semester.** Absences will be excused by the office for the following: illness documented by a doctor's excuse, appointments documented by a doctor's excuse or death in the family. All excuses must be presented to the office upon a student's return to school. If the excuse is not presented upon a student's return to school, the absence will be counted as unexcused. It is the responsibility of the student or parent to bring the excuse to the office within 24 hours of the absence. Students who are absent may not participate in a school function after school hours such as special events, field trips, or athletic events.

If a student is absent because of a contagious illness, parents are asked to notify the school office as soon as possible.

## **Upper School – Tardies**

A student is considered tardy if he/she arrives to the classroom after class has begun. Excused tardies will be granted with a doctor's excuse, which must be presented to the office upon a student's arrival at school. **Three unexcused tardies equal one absence.**

## **CAR RIDERS: MORNING DROP-OFF AND AFTERNOON PICK-UP**

**Students arriving before 8:15 a.m. must be walked by a parent to before-care.** Students arriving after 8:15 a.m. should proceed to their classrooms. An adult should accompany younger students to class. If you are walking a child to class or coming into the buildings for any reason, please park in designated parking areas. Students may be dropped off and picked up in the loop located in front of the 500 building. The student Safety Patrol will be available to escort student to their classrooms. All cars should pull up as far as possible before unloading or loading.

For the safety of everyone, we ask that drivers refrain from cell phone use while driving in our parking lot, that drivers proceed very slowly in our parking lot, and that no one park in the drop-off/pick-up loop.

## **CURRICULUM**

CFP offers a structured curriculum, which meets or exceeds guidelines for Orange County Public Schools. This curriculum is based on the Florida Department of Education Curriculum Frameworks and the Sunshine State Standards.

## **Homework**

Homework not only reinforces skills taught in the classroom, but also helps parents keep track of what is happening at school. Effective, long-lasting study habits occur through reasonable and purposeful homework assignments. Review the following guidelines throughout the year:

- Check student's homework calendar each night
- Check [www.cfprep.org](http://www.cfprep.org) for homework postings
- Set a specific time and place for homework
- Read each night
- If a student is absent, he/she will be given equal time to make up the work, but it is up to the student to find out what was missed
- 6<sup>th</sup> through 12<sup>th</sup> grade students must complete all assignments within five school days or receive a zero for those assignments

## **DISCIPLINE – Montessori**

The form of discipline used in Montessori classrooms is redirection of behavior. The child is redirected from the source of the disruption to an appropriate area of work. Ground rules are set, explained and enforced in the beginning of the year to ensure the safety and happiness of all the children in the classroom. In the event that redirection does not work, the teacher will contact the parents for a conference to determine possible causes for the child's behavior and implement a plan to help the child. Children "misbehave" because they do not understand or have conflicting ground rules to follow, or in some instances, it is due to their inability to express their emotions and feelings brought on by some unhappy event in their lives. We are here for the children and will work with parents to the best of our abilities. In rare cases where parents will not cooperate with the school, or when a child becomes physically violent, the Director may request the removal of the child from school.

## **DISCIPLINE – Lower/Upper School**

### **Guidelines for Rules**

1. All rules are in effect at school and all school-related activities.
2. This list is not intended to be all-inclusive. Modifications will be made when necessary at the discretion of the administration. Additional infractions will be added and penalties will be modified as the need arises at the discretion of the administration.
3. No corporal punishment will be administered at CFP.
4. In all instances, consequences will be administered equitably and fairly. Discipline will be based on careful assessment of the circumstances of each case. Factors considered will include: 1) seriousness of the offense, 2) student's age, 3) frequency of misconduct, 4) student's attitude, and 5) previous conduct.

At the time of initial registration, each student must note previous school expulsions, and arrests leading to a conviction or adjudication. Failure to do so will result in immediate expulsion.

## DRESS CODE

Realizing that a relationship exists between standards of dress and behavior/performance, and that high standards of dress foster a positive self-image, Central Florida Preparatory School maintains certain expectations, which result in the following guidelines of student dress.

Students are expected to dress and to groom themselves in a way that reflects neatness, moderation, and appropriateness for school. Central Florida Preparatory School students are also expected to adhere to the spirit of the guidelines specified below, which reflect conservative standards of acceptability. Parental assistance in assuring that guidelines are followed is expected and very much appreciated.

For the first offense, students will be removed from class in the event of noncompliance with this dress code. Parents will be called to bring appropriate clothing. In the event that a parent is not able to bring appropriate clothing, students will remain in the office until dress code compliance is met. Absences from class due to noncompliance are considered unexcused.

Repeated noncompliance will result in removal from class for the day. Parents will not be called to bring appropriate uniforms. A parent conference will be requested.

### **DRIVING PRIVILEGES**

Students who are of legal driving age with a driver's license may drive to and from school only if their parent or guardian has completed a Student Driver Permission Form (available in the office). Student parking is located along the back row of the parking lot. Driving privileges may be revoked because of noncompliance with any CFP policy. Students may be driven by other students only if a Student Transportation Permission Form (available in the office) is properly completed by the parent or guardian of the student being driven by another student.

### **EMERGENCIES**

Please keep in mind that CFP is housed in permanent buildings and St. Paul Presbyterian Church is a designated emergency shelter. Certain weather or traffic conditions may make it more hazardous to travel on the roads than to remain in the buildings. However, if an emergency

occurs during the school day and the decision to close CFP is made by the administration based on what would be the safest course of action for the students; all parents will be notified by phone via our AlertNow communication system. Supervision will be kept in place until all children have been picked up. If an emergency situation occurs overnight, CFP's decision to remain open or closed will be broadcast on local news and radio stations, posted on our website, and announced on or voice message. If you choose to pick up your child from school, please do not discuss the reason in front of other children. In such situations, the staff's main objective is to maintain a calm atmosphere.

If the emergency situation requires an evacuation of the school, the evacuation will be treated like a fire drill. All students will be escorted outside, and an administrator will activate our AlertNow system and/or school staff will utilize cell phones to begin calling parents. Parent volunteers will be asked to come to school to help in calling other parents or in supervising students while staff members make the phone calls.

### FIELD TRIPS

A Medical Authorization Form and Field Trip Permission slip must be completed before any student is allowed to leave campus on a field trip. Please make sure your completed form is turned in to the office. This form will be kept in your child's file. Your child's classroom teacher will notify you of each field trip occurrence.

### HEALTH AND MEDICAL FORMS

Both the Immunization Record form (blue - #DH 680) and Annual Physical form (yellow - #DH 3040) are required for each student file. These can be obtained from your pediatrician. Please make checks payable to CFP. If your child brings a lunch, please make sure that the lunch boxes and bags are clearly marked with the child's name. For Montessori students, please include a cloth placemat and cloth napkin. CFP also encourages nourishing lunches be packed in reusable containers. We would appreciate no candy, gum or soda.

## MEDICAL

In order to contain and prevent the spread of contaminants, CFP has adopted guidelines covering certain situations, and illness in general. These guidelines are not to be considered as all-inclusive; if or when other situations occur, they will be addressed accordingly.

**Prescription Medicine:** Prescription medicine may be dispensed at school if the parent has completed an Authorization for Administering Student Medication form. Medicine must be provided to the school office ready to be dispensed (i.e., if a partial pill is required, it must be submitted to the office already halved or quartered) and with appropriate dispenser (if liquid).

**OTC Medicine:** Over-the-counter medicine (Tylenol, Pepto-Bismol, etc.) may be dispensed to students complaining of headaches or stomachaches only after a parent has been contacted and permission given to administer the medicine. The office must verify your instructions with you before dispensing medication. If you anticipate that your child may need Tylenol or other OTC medication and you feel comfortable with the medication being dispensed at the discretion of the school office, then you may complete an Authorization for Administering Student Medication form stating under what circumstances and in what amounts such medication can be given.

**Fever:** If a child has a fever, he/she should not be brought to school. If a child develops a fever during the day, parents will be notified and the child must be picked up immediately. Students must be fever-free, without medication, for 24 hours before returning to school.

**Colds/Flu:** While some aspects of a cold may not seem serious enough to keep a child at home, please bear in mind that it is contagious. Parents should use their best judgment in this situation.

**Chicken Pox:** Due to its contagious nature, it is critical that a child is kept home when symptoms of chicken pox appear. These symptoms include fever and red bumps covering the body (usually starting in the crevice areas). The student may return to school only after the chicken pox sores have scabbed over.

**Head Lice:** CFP adheres to a "no nit" policy. This policy calls for the removal of all lice eggs (nits) and egg cases following application of a lice-killing product, and exclusion from school

until such measures have been completed. A student will not be allowed to return if nits are present.

## PARENT/TEACHER CONFERENCES

Parents may schedule conferences at any time during the school year. All conferences are to be scheduled through the school office. All conferences will be documented for the student's file and for future assistance in meeting the needs of each student. Parents may schedule conferences with their child's teacher, lead teacher, principal, or director.

Parents are always welcome to observe classes at CFP. We do ask that any visiting parent sign in with the office. This is for the security and safety of our students. We also ask that parents let the school know in advance if they wish to observe a particular class. This will allow us to verify the class will be available (i.e., not on a field trip or scheduled for a special class such as computer lab).

## TUITION/FINANCES

1. Tuition is due the 1<sup>st</sup> of the month. Tuition is late after the 10<sup>th</sup> of the month.
2. If payment is not received by the 10<sup>th</sup> of the month, a 5% late fee will be assessed (minimum \$15.00).
3. If the 10<sup>th</sup> of the month falls on a weekend or a school holiday, tuition will be accepted the following school day and no late fee will be charged.
4. All tuition payments are to be made through the office. Please do not give tuition payments to teachers. Payments may be mailed to: P. O. Box 817, Gotha, FL 34734.
5. Deposits are non-refundable. Deposit will be applied to annual tuition if child attends entire school year. If student leaves CFP prior to end of school year, deposit paid will not be taken into consideration for tuition paid.
6. If a student leaves for any reason, a written two week notice is required (excluding school vacations, holidays, and weekends). If two weeks notice is not given, ten additional days will be charged when determining Tuition Due Amount. Tuition Due Amount will be calculated by dividing total annual tuition by the 180 school year days. This per diem will be applied to actual number of days enrolled. Tuition paid to the school less deposit will be subtracted from Tuition Due Amount to determine any remaining tuition due.
7. No deductions will be made from tuition for absence during the school year.
8. If a student enters after the school year has begun, charges for tuition are prorated according to the actual number of days enrolled.
9. A fee of \$25.00 will be charged on all returned checks.
10. Checks will not be held for deposit.
11. Student records/report cards will not be released if account has an outstanding balance.

*It is our belief that expectations can be met only if the expectations are known. The foregoing information is our attempt to state the expectations of Central Florida Preparatory School. As the need arises, we will send home additional information and policies. Thank you for choosing CFP and thank you for your participation in reaching our goal of success for each student.*
